St. Patrick's Day Trivia

You may know that St. Patrick used shamrocks to teach about the Trinity, but did you know these other facts about him?

- St. Patrick wasn't Irish. (His parents were Roman citizens living in Great Britain).
- He was kidnapped and sold as a slave at age 16. After escaping six years later, he joined a monastery in England.
- March 17 is the date of St. Patrick's death, not his birth. He died in 461 A.D.
- The color originally associated with St. Patrick is blue, not green.
- The harp, not the shamrock, is the national symbol of Ireland.
