

Curbside Communion

September 13th, 9:00 to 10:00 a.m.

The next Curbside Communion will be September 13th from 9:00 to 10:00 a.m.

These have been well attended, and while they are not the same as receiving the sacrament as part of a worship service in the church, they are a sign of hope that day will come again. And a means of the grace of God.

This time, along with whatever offering you may wish to bring, we'd ask that you consider bringing toiletries for Hephatha Lutheran Church where they will get distributed. Bars of soap, shampoo, hand lotion, toothpaste, toothbrushes, chapstick, etc. Remember that these will be often going to people who are homeless so small is better than large because they have to carry it.
