

Dear ones,

A reminder that this weekend is another Curbside Communion from 9AM-10AM on Sunday. It is supposed to be glorious weather so I hope to have the pleasure of seeing many of you. It is always a joy.

Some folks have asked if we are collecting anything this weekend. We are! If you come and have the opportunity, please bring some **school supplies**: Pens, pencils, markers, crayons, glue, notepaper, notebooks, etc. All of you have been to school so you know the drill. We will have someone to collect whatever you might bring after you receive Communion.

So, blessings until then. I hope to see you on Sunday! Love, Pastor Debra
