

Stewardship Moment

By Judy Goodwin

ADORATION PRAYER CIRCLE

We presently have two chains and 10 members. So far this year we have had 34 prayer requests. We pray upon request and pass on the needs of congregants, family or friends to each other, making the chain complete. Prayers also include people in our monthly prayer needs column. In praying for others, we are drawn closer to God and other Christians. We also share burdens and learn to care and love others, obeying our Lord.

ERAS SENIOR NETWORK (Engage, Relate, Educate, Support)

The mission of the ERAS Senior Network is: to engage and support seniors, adults with disabilities and family caregivers in leading meaningful lives. The mum sale supported ERAS. Our (two) Adoration volunteers provide transportation and grocery shopping at this time. There are various ways to serve this important ministry. We need more volunteers. If you are interested call the number in the stewardship moment. (414-488-6500)
