

Parish Administrator Crystal Januchowski

My name is Crystal Januchowski. I was born in Milwaukee, raised in the surrounding area and still live in the suburbs. Raised Catholic, I am the oldest of 7 children (same mom and dad) and blessed with many nieces and nephews. I am the proud mother of an intelligent, caring and beautiful teenage daughter named Mikayla. She is an old soul that I simply can't sum up...you'll just have to meet her yourself. In addition, I have very young boy/girl twins, Jax and Amara, who attend grade school. They are sponges when it comes to learning, very energetic and can be polar opposites at times. I'm sure you will see them running around in the future! Having attended St. John the Evangelist Catholic grade school in Greenfield, I then went on to Whitnall High School, and ultimately, graduated with an Associate Degree in Business Management from the University of Phoenix. I have mostly worked in the automotive field up until recently - having done everything from being a receptionist, cashier, Service Assistant, Business Development Manager - to doing advertising and marketing for many dealerships located throughout Wisconsin. What I'm most looking forward to now is a chance to make a genuine difference, work within a strong faith-based community and follow God's path.
